

As such, in accordance with 37 C.F.R. § 1.825(a), the undersigned attorney for Applicants hereby states that sequence information contained in the Substitute Sequence Listing submitted herewith is identical to the sequence information contained in the Sequence Listing of the specification as originally filed. Therefore, the Substitute Sequence listing is completely supported by the specification as originally filed, and no new matter has been introduced.

In accordance with 37 C.F.R. § 1.825(b), the undersigned attorney for Applicants hereby states that the information in the paper copy of the Substitute Sequence Listing submitted herewith is identical to the information contained in the computer readable form of the Substitute Sequence Listing submitted herewith.

REMARKS

The specification has been amended to claim benefit of priority of the related applications, to update the address of the ATCC, to enter the Substitute Sequence Listing, and to renumber the pages of the claims and abstract in conformance with PTO rules. The drawings have been amended to replace informal drawings of Figures 1-9 with formal drawings of Figures 1-9 of the instant application.

No new matter has been added by these amendments.

Applicants believe that no fee is required for this submission. However, if a fee is required, please charge Deposit Account No. 08-3425 for the appropriate amount.

Respectfully submitted,

Dated: November 6, 2001
